Submission: Objection

Comments: Bagnall Parish Council OBJECTS to this application, on the following grounds:

An application was submitted for an extra barn under DET/2019/0010, which has yet to be built.

The conversion of the barn under this application is only for part of the barn.

The Parish Council is concerned that the applicant is endeavouring to replace a perfectly good wooden barn with a steel one, using the defunct wooden barn for residential purposes.

The development is in green belt.

The Parish Council would ask the planning department to scrutinise this development fully before making a decision.
