Comments: Who knows what types of youngsters will be housed ?

Another similar house in brown edge has children from all backgrounds who have problems to say the least to do with there upbringing. This house on sandy lane is next door to a children's nursery so that alone should say it's not an appropriate house to have such a business and let's face it this would be a business with employed help 24/7. The parent company get paid very well to have such a business.
