Comments: I don't understand the long term vision of the local councils in Staffordshire. They allow St Modwen to build huge warehouses in Stoke-on-Trent which are occupied by low paying companies and then allow st modwens to build houses said workers can't afford... come on councillors, this land and more land around Staffordshire should be ear marked for true local enterprise which gives something back to its employees! This should have been kept as industrial and not for warehousing and distribution. "Made in Stoke-On-Trent" not "stored in stoke-on-trent".
