Comments: As the Manager of the preschool which runs every day from the Sandy Lane centre I have obvious safeguarding concerns regarding the children that may be looked after in oak lodge which is next to the centre.

I am surprised that as a neighbour the Centre has not received notification of this planning permission but deeply concerned as a manager why our preschool hasn't been informed regarding the possible implications this may have regarding the safety of the children in our care next to this proposed development

I have contacted two of our local councillors regarding this matter but have had no response at all

As a manager of this childcare establishment I would appreciate more information of this proposed care home and what level of behaviour management these children will need and how I can be reassured that this will not impact on our early years setting
