For the Attention of: Chris Johnston – Case Officer
Staffordshire Moorlands District Council

[By Email: planning@staffsmoorlands.gov.uk]

18 October 2021

Dear Chris

PLANNING APPLICATION: DOC/2021/0097 COND

Application for approval of details reserved by conditions 4, 5, 9, 10, 12 & 14 of SMD/2021/0212; Old Engine Farm, Perkins Lane, Dilhorne - RECONSULTATION

Thank you for your further consultation letter of 7 October 2021 seeking the views of the Coal Authority on the above planning application. However, on the basis that we were previously able to recommend the discharge of conditions 9 and 10 (confirmed in our letter dated 12 October 2021) and that no new documents relevant to coal mining legacy appear available from the Council's website, the Coal Authority has **no further observations to make**.

Please do not hesitate to contact me if you would like to discuss this matter further.

Yours sincerely

Chris MacArthur *B.Sc.(Hons), DipTP, MRTPI*
Planning Liaison Manager

Disclaimer

The above consultation response is provided by The Coal Authority as a Statutory Consultee and is based upon the latest available coal mining data on the date of the response, and electronic consultation records held by The Coal Authority since 1 April 2013. The comments made are also based upon only the information provided to The

Coal Authority by the Local Planning Authority and/or has been published on the Council's website for consultation purposes in relation to this specific planning application. The views and conclusions contained in this response may be subject to review and amendment by The Coal Authority if additional or new data/information (such as a revised Coal Mining Risk Assessment) is provided by the Local Planning Authority or the Applicant for consultation purposes.
