Comments: I strongly object to the planning application this will cause so many problems if allowed to go ahead

We don't need another supermarket we have premier co op and paper shop all selling anything we need and also have a Morrisons daily a mile away and an Asda 2 miles away

There is no parking and a bus stop right outside which people will use to park and cause a back up of traffic as the bus will need to block the road

It's an extremely busy road and dangerous for people to be parked on it accident waiting to happen

There is no back entrance so delivery trucks will also be blocking the road

This property would be much better as affordable flats we need the housing a lot more than we need another supermarket
