Submission: Objection

Comments: We haven't been properly addressed as direct neighbours

I have obvious concerns about noise I'd like to know what would be done - sound proof etc

There aren't any ofsted reports to view like for like properties the company has

No information on website not a very transparent company

No information on the website

No idea what to deal with

On application form for jobs they advertise for staff to be trained in noise abuse do will be anticipated

Parking - changes in staff no parking

Norton rise had one objected to and refused

Nursery - what is in place to safeguard children

My daughter had needs to be addressed not on here

Tried calling the company and emailing no response

Worry the company as linked in majority of staff have only worked there for months

Company has been going a while but staff haven't

This needs to be looked into and residents addressed properly - this hasn't been done - why ?

Elderly residents around vulnerable

Semi detached

The list goes on
