Submission: Objection

Comments: I strongly object to this application. We do not need another supermarket in Werrington we already have a Co-op, Premier and Newsagents which are more than adequate.

Where you are planning on putting this supermarket will make an already very busy area more congested and hazardous to other vehicles and people. The area already has limited parking and there are two shops, takeaways and two bus stops. It makes no sense putting a supermarket here there will not be enough parking for customers and there is no room for deliveries to be made safely off road.
