To whom it may concern

We have recently received a letter from yourselves reference the above planning application for St Werburghs Church of England County Primary School, Holt Lane Kingsley

At the moment we oppose the planning application due to the fact the proposed plan option b drawing is incorrect. We at Holt Lane Farm own the adjacent land where the new gates are proposed to be erected. The drawing (see attached) is showing the wrong position of the gates already installed and the wrong position of the existing fence line. Hence the new proposed position of the gates into the school field at the back of our property will actually be in our land.

We have provided a drawing showing the correct position of the existing gates and the correct position of the existing fence line that borders our land. Until the planning application is amended to show the correct information regarding this we oppose the application

We hope that this will be amended as soon as is possible so the the application may be reconsidered

Please note the attached drawing is not to scale and therefore would need to drawn correctly before resubmission

Kind regards

Mr D and Mrs A Harvey
Holt Lane Farm
