Comments: At a meeting of Draycott-in-the-Moors Parish Council on 11th October 2021, the Council discussed the Planning Application for the Bio Mass Boilers. Please could the Planning Officers check carefully that this application will not have a damaging effect on the environment. What impact will the burners have on the clean air of the rural area and what impact could it have on the environment. The Parish Council have asked if an environmental permit will be required?

Kind Regards

Denise Wheat

Parish Clerk

Draycott-in-the-Moors Parish Council
