Cheadle Town just cannot COPE with another 228 houses, NOT even the 500+ that are been built now.

Tried ringing the doctors, only to be on hold for an HOUR & A HALF!! Most people can't even get a appointment..
So where are all these new people going to go to see a doctor, when the current residents of Cheadle can't even see one?? Also you don't see or hear of any plans to build new a doctors anywhere in Cheadle anytime soon or in the near future.....

So where are the kids going to go school as there all FULL?? Also they don't seem to be in any rush to build the one they promised on Pottery Gardens.....

Same with the dentists, FULL.. Same with doctors there's no plans on a new dentist anytime soon on in the near future.....

Then there's the roads there gridlocked every day, pollution will get even worse, it's bad enough now especially on Butlers Hill, Tape Street, Queens Street, High Street ect (not fair on people who have to walk), then there's the shops, well there's hardly any!!, also most people i know sooner travel out to Tesco Mier park, Uttoxeter or the Potteries to do there shop, jobs, same you have to travel out the area, Cheadle's roads just can't cope with anymore traffic, Then there will be increased noise & air pollution, more risks of flooding, loss of privacy to people's homes, loss of yet more (perfect) farmland, the list goes on & on.....

Cheadle Town just cannot cope with the current population, never mind 1,000's more!!

Cheadle Town just cannot support anymore houses, not even the 500+ there building now!!

They need to STOP building in Cheadle & go build somewhere else that CAN support more housing because CHEADLE CLEARLY CAN'T!!

PLEASE JUST STOP & LISTEN TO THE PEOPLE WHO ACTUALLY LIVE HERE FOR ONCE!!!!
