Submission: Objection

Comments: I strongly object to this planning application on the grounds of devaluing the integrity and aesthetic of Knypersley Hall (grade II* listed building) and the Knypersley Hall Estate (grade II listed buildings). The site is a dumping ground for the current users of the site and there is a building erected which was done without planning permission on the proposed site plan. This is highly unsightly and a present danger to users of the public footpath which passes directly behind the building due to corrugated panels and materials blowing and falling onto the public footpath.

In addition, and to my utter surprise, the applicants have also started to erect another structure north of the proposed on the site plan and next to the field entrance. This is in the curtilage of the listed buildings and also now blocking the views of neighbouring properties . Again this is without planning consent, highly unsightly and has vehicles blocking the public right of way.

Something must be done to stop this and rectify the site back to grazing land.

Yours,

Lee Platt
