Recommendations: There are no objections on Highway grounds to this proposal.

Current records show there were no Personal Injury Collisions on Linden Drive within a 50 metre radius of the property for the previous five years.

The property is located on Linden Drive, an unclassified road (Road No. D1282) with a speed limit of 30 mph and has the benefit of streetlights.

The proposal is for the construction of a new fence. The new fence will be constructed to the rear of 18 Linden Drive as detailed in submitted plan titled Site Plan.

The proposal will not have a detrimental impact on the highway I therefore have no objection (application number SMD/2021/0627).
