Comments: I run dance classes for ages 2-18 years old Thursdays Fridays and Saturdays in the building next to oak lodge .Due to the age that I teach I have grave concerns about the situation and completely object as I am not the only provider to young children to run from the community centre. Also a playgroup and Childrens karate lessons use the building each week . My customers and pupils will not feel safe with older teenagers and troubled youngsters next door as the proximity of oak lodge to the main entrance of the community centre is only a couple of metres . If the young people at oak lodge aren't under supervision 24 hours a day by an adult how can anyone in the next building be completely safe

Please can these concerns be raised, thanks in advance
