Submission: Objection

Comments: Im objecting to this development on the grounds that the current infrastructure in and around cheadle cannot accommodate another 1000+ residents the roads will not be able to cope with an extra 500+ cars. The doctors, dentists, schools and supermarkets are struggling to cope with the demands of the current population of cheadle and surrounding villages. The proposed vehicle access is all so questionable as its close to a very dangerous stretch of froghall road
