With regards to the planning application for 228 dwellings off Froghall Road, I think this should be a definite NO. It will invade our privacy and block out the lovely view we have, one of the reasons we chose to live here.

The traffic on Froghall Road is horrendous and especially trying to get onto Leek Road. The traffic travels at ridiculous speeds and trying to get in and out our drives feels like were dicing with death on a daily basis.

The access to this site is on a bad bend and will cause chaos.

The town is literally at a standstill with traffic on a daily basis and the roads, schools, Drs, dentist etc CAN NOT take any more traffic, people or children.

As for the High Street!!! Well thats just a joke theres nothing in this town for the people that live here now let alone more people.

Trying to get an appointment at the Drs is impossible, the schools are over flowing as it is.

There are 100s of new houses being built in Cheadle already wouldnt it make more sense to finish these and improve the roads, schools, drs etc before more houses are considered. THE TOWN DOES NOT NEED ANY MORE HOUSES. THE TOWN, THE ROADS, THE SCHOOLS, THE DRS , THE FIRE SERVICE, AMBULANCE SERVICE, POLICE, HIGH STREET SHOULD BE PRIORITY OVER THIS.
