Submission: Objection

Comments: I along with the majority of Cheadle and kingsley residents object to this proposed housing development. I do not want constant housing development around the town. Way to many houses are being built here on rural land. Constantly digging up fields is damaging to our local countryside, environment, wildlife and nature.

Why is Cheadle being targeted for these housing developments? Why is house building not shared across the villages of SMDC?

This proposed development is destructive to the rural environment and the town does not have the public sector services infrastructure to take on more housing, people and families. It seems to be the case that the only vision SMDC has is to build houses around Cheadle which is inappropriate and ridiculous. SMDC needs to understand that Cheadle townsfolk and local councillors totally reject this development and it must not be allowed to go ahead.
