Submission: Objection

Comments: They need to STOP building & passing all these houses in Cheadle, as the Town just can't cope with ANYMORE, They need to make Cheadle's infrastructure & facilities top priority instead of housing, as the Town just can't cope with the current population, never mind thousands more..

But I can't see what they can do with the roads, as there just old town roads that are not designed for this much traffic & more houses will obviously lead to more traffic, so the problem is just going to get worse, as there already building over 500 new houses, & also a very long list of other issues..

It's ridiculous, stupid & unbelievable, & who'll suffer?? The current residents of Cheadle that's who..

So please make the right decision & reject this planning application..

Thank you & i hope you listen to the people who actually live here, in Cheadle, Kingsley & the surrounding areas..
