Submission: Objection

Comments: I wish to object strongly to this application, this road is already very busy, how are vehicles going to park safely, school children walk this route twice a day, parents with pushchair, use this route. With vehicles parking on pavements what are pedestrians to do, walk into the road to pass, it will be

A matter of time before somebody is seriously injured or killed. Also there is a bus stop right outside, so how are drivers going to see and manoeuvre safely.

We do not need any more shops.
