Submission: Objection

Comments: I and my husband object to this planning application.

There has been 3 previous planning applications and an appeal on the latest which have all been refused. The visual appearance and pollution and just as important the dangerous entrance and exit for the caravans to be towed out of.

I refer to the policy NE1 of SMDC core strategy development.

It is an area of beauty and wild life and should not be spoiled.

sorry I put our old email in error
