Good Afternoon

**SMD/2021/0653 – Whiston Hall Golf Club, Black Lane, Whiston.  
Proposed Development: Proposed Agricultural Storage Shed.**

Conclusion: KPC object to the above application on the following grounds:

1. Application is misleading. The Golf Club business has nothing to do with agriculture.
2. The construction would impact on the site of the 1805 Froghall – Cauldon Tramway, the site forming part of the embankment of the Whiston Incline.
3. There are alleged issues around ownership of the land in question.

Kind regards
