Comments: I would like to support the application for the new houses proposed for this site.

It seems as if the plan has been very well thought out, taking into account the slope of the land and positioning of the new houses in relation to the existing housing.

As long as the houses are at a reasonable price I think the new houses will be beneficial to Werrington providing much needed accommodation.

Just one suggestion would be to lower the speed limit on Ash Bank Road (A52) to 30 miles per hour to allow easier access into and out of the existing entrance.
