Comments: We both feel this is huge overdevelopment of this area.

- 1) There are already many properties in build, Potteries Gardens, Cecily Brook and more.
- 2) Traffic on Froghall Road is often in gridlock. When Potteries Gardens traffic is added I dread to think of the consequences. The vehicles added from another 228 properties on top of this will create utter chaos.
- 3) Doctors surgeries, Dentists and schools are all stretched to the limit, how will they cope with the massive influx of people.
- 4) We are so disappointed and even angry that you have planned to build over 1200 houses on agricultural land that has outstanding conservation value when there is so much brownfield sites available in Cheadle and surrounding areas.
