Submission: Objection

Comments: I wish to point out to the planning authority that developments of the kind outlined in the planning application, once again, mirror the desire of some applicants to dot the countryside with the beginnings of housing and later housing estates which do not conform to the Staffordshire Plan.

The local authority have always in the past had a desire to make sure that suitable rural development will be acceptable e.g.a riding school or outdoor hiking centre and not the beginnings of the decline of the Staffordshire countryside.
