Re: SMD/2021/0637- Land Adjacent to 2 East View, Main Road, Cauldon Low, Staffordshire, ST10 3EU

I wish to make a strong objection to the proposed planning application listed above

Applications have been made for this numerus times and been refused If feel this planning is causing stress to the neighbours around 2 East View because of the road safety issues, the road is used for people to cut through who don't live in the village, there are always parked cars on the road which mean you have to drive on the wrong side of the road. The proposed entrance will make this even more dangerous. The road is used for bus's, school buses and children have to walk on this road.

Cauldon Low is a peaceful village which there are no need for more property being built.

There will be a loss of privacy in our gardens and people looking into windows, is against the human rights act. I feel this is also a threat to the local wildlife and conservation.

Yours Sincerely

Michelle Simpson
