Submission: Objection

Comments: How are they meant to access dentist, doctors, schools?

Also think of the extra traffic as ash bank is the only road in and out of Werrington

It's Greenbelt land and yet there's so much brown fields sites that could be developed.

Ashbank is usually 10 mins from the top to the bottom however it takes double the amount of time because it's so congested already.

Myself and my daughter have to see a dentist in Meir because Werrington can't fit us in.

How this able to go ahead given the over crowding in Werrington already? My friend's son was given Birch's Head as his nearest school because Moorside was full. We shouldn't have to put up with this when this is where we live.
