Submission: Objection

Comments: I object to the planning as the traffic on ash bank is already very busy and cannot possibly take any more vehicles. The opening / exit is a disruption to the road too and would cause more hold ups. In the morning when going to work it can already take 20 minutes to get out of Werrington. Also I believe the doctors and school are full to capacity. My son who is five did not get into our closets school of Werrington primary due to capacity. The school is not built for the population currently so adding more would be ludicrous. Finally, the doctors are struggling to function as it is. Appointments are impossible to get hold of. It can take an hour to get through in the morning and quite often the appointments will all be gone. At this point you are asked to try again tomorrow or ring 111/999 if things get any worse. How are the doctors going to possibly cope with more people coming to Werrington when they can't manage what they already have.

Many thanks,

Elayna.
