Comments: Building of new houses in this location will change the aesthetics of the current area. It will also invade on my privacy as it backs onto my property very closely and as a shift worker for the nhs not only is building all day going to disrupt my down time it's also going to provide added noise nuisances permanently. There will be no privacy and upon purchasing my property this was part of the appeal and the semi rurality of the location with no modern houses visualised.
