To whom it may concern

As a resident and adjoining neighbour to 2 East View I object planning application submitted by Mr and Mrs B & H Duffield.

The proposed building should be inline with the rest of the properties on Main Road and not pushed back.

I have concerns that the proposed site could potentially take away privacy. We didn't buy our house to have to look at a new building as soon as we walk out off our back door.

The visibility of traffic coming up and down Main Road is very difficult due to the bend. Adding more vehicles will make the situation worse, an accident waiting to happen.

The plans have 2 off street parking bays for the proposed new build and 3 for the existing property, no matter how many there are people will still potentially park on the road.

Yours Sincerely

M K Williamson
