Submission: Objection

Comments: I strongly object to the proposed planning application.

This will have a very damaging effect on wildlife in the village. In a time when we are being made so aware of climate change why would we choose to destroy our green spaces?

That number of houses would cause a considerable amount of extra traffic in the village in an area that already gets extremely congested around school times.

Our schools and Drs are oversubscribed and wouldn't have the capacity to support such a large development.

Finally a development in such close proximity to the young offenders institute doesn't seem wise. On a summer's evening we can quite clearly hear shouting and swearing from there so I can't imagine that being right next to it would be ideal!
