FAO Ben Haywood

Good afternoon Ben,

Thank you for consulting us on the above application. We have logged this for response by 14th December. We are working to a 21 day turnaround, but due to current workload there may be some delay in responding.

We have saved the documents to our files, and note that the document named Flood Risk Report appears to be the same document as Flood Risk Report Attachment 4. Please could you send us a copy of the full Flood Risk Report for our file to review in due course?

Kind regards,
