Email:

Submission: Neither

Comments: in recent years 12 planning applications have been approved for construction in Foxt, but only 3 have been built, suggesting there is no requirement for further housing

2 horrendous eyesores have been created in the centre of Foxt, one of which has been created by this applicant, and he has a further approved application that has not been constructed

this application if approved, could become a third eyesore in the village, and further applications could follow to create a ribbon development
