Submission: Objection

Comments: Due to the already full school (moor side) which each year takes on more students than they should & so this impact the ways the children are receiving 1:1 with teachers.

The road along Ashbank is absolutely ridiculous during peak times because it's the only way to & from key locations in the city.

Moorside high school & Werrington primary are both very busy for parking & students. This is a very big problem that impacts the village (traffic, teaching of students)

Doctors- they cannot manage the level of people registered to them. Over 40 mins to get through to them, no appointments for weeks, emergency appointments filled up by 8.15am. Any more patients & this service will be even more over whelmed.

Congestion in the area such as the traffic lights- these cause very long delays BOTH ways up & down ash bank. These queues back up from the rainbow up to ash bank pub & the other way from rainbow down to Esso. Without any other major

Roads put in the congestion will not be manageable.

Devaluing in houses in the area due to the services & amenities in the village not being able

To cope with demand.
