Submission: Objection

Comments: Not enough local amenity space ie. Primary school and high schools, doctors capacity for the extra 75 houses proposed. Also this is another green belt area that we are losing which is part of the heart of werrington and helps everybodys mental health with it being there with regards to walking and the views it gives. In addition there should not be any social housing on there as the occupants never get vetted properly and it will bring more crime, rubbish to the area.
