1350mm high Hawthorne Bushes positioned central of post and rail timber fence

Existing galvanised gated entrance

205.0m

211.8m

Clay Lake Farm

Post and rail timber fence partly combined with Hawthorne Bushes

Track

Proposed Building

Existing track accessing the various fields is to be improved over it's initial length with a new hardcore base to assist traffic movement to the storage building

Hardcore based hard standing to be formed for a 6m depth to the front and side of the roller shutter door openings access points into the storage building

Scale 1:500 @ A3
