Subject: SMD/2021/0720 Planning Application Mr Glynn Jones Land at 58 Uplands Croft
Date: 16 December 2021 17:28:23

Dear Planning Support Team,

I wish to object to the planning application reference SMD/2021/0720 Mr Glynn Jones Land at 58 Uplands Croft. The proposal to erect two properties where a new access driveway will be added to serve the dwellings allowing for an additional 8 vehicles will result in congestion on what is already a dangerous bend. I believe there will also be considerable impact on important habitats and species which have been spotted on the land and would recommend that a more thorough study of the whole area rather than the just the area around the existing property.

Best wishes

Deborah Sanderson. Owner 45 Uplands Croft

Deborah Sanderson
