I object to this planning application on the following grounds. Why do you need a grain store so close to the main road. There is plenty of room at Broad Gate Hall to build an additional store. It would also be a security risk, close to the road. There are no buildings on that side of the road & it would be a blot on the landscape. The road is very popular for walkers, cyclists & horse riders. It is a beautiful view across the valley towards Rugeley & a grain store would look awful. The road is used every day of the week & a barn would impact on people's health, when they come into the countryside for peace & fresh air. I strongly object. Barbara Keeling
