Submission: Objection

Comments: It is just going to be another holiday rental in which the residents of the Crescent have to put up with more noise and anti-social behaviour, foul language from people that have had too much to drink. The application states that Mr Shaw has access to the property via caravan park so how come he's had equipment delivered via the Crescent so does this mean his access isn't large enough to receive deliveries such as material and equipment. This is a conservation area so these boathouses should be retained for the purpose of which they were built and not made into holiday rentals which many already have.
