YOUR COMMENTS ON THE CASE

I have previously sent my comments to the planning department at Staffordshire Moorlands District Council , regarding the issue of road safety of the proposed application , hopefully the attached photographs will enhance the decision of why the proposed plan must be rejected.

All attached photographs depict some major Road traffic accidents over the 4 years , taken within a few hundred yards of the proposed application. Evidence of the latest accident happening depicted in some of the attached photos, is still evident today

In my view an additional opening onto the A520 will lead to an increase of accidents of this severity. However I would like to have an opportunity to state my case with the inspector , face to face, and portray the issues with the application.
