Submission: Objection

Comments: We object to this application.

While we support the objectives of the applicant to provide a safe and stimulating home for three children in need we feel that Churnet Manor Close is entirely the wrong place for such an enterprise.

We understand that the other properties on Churnet Manor Close Court are predominantly occupied by retired people and that there are no children living there or nearby. In these circumstances it is difficult to imagine how the children brought to Wardle House will feel able to integrate into the local community.

Access to Churnet Manor Close is via Birchall Lane which has no street lighting or footpaths and we consider that this presents a significant danger to children.
