Submission: Objection

Comments: Dear Mr Hurst and the Planning Committee

Brown Edge Parish Council resolved to object to the planning application for a storage building to house Farm implements at Clay Lake Farm on grounds of Aesthetics of the building with it's position in the close proximity to the main Breach Road entering into Brown Edge from Endon.

Although the building is for agricultural use, it will still be a new constructed building on what is green belt land and will have a new entrance and be visible from the road creating a feeling of infill in what now is a green space.

Yours Sincerely

D Wheat - Clerk to the Council
