Submission: Objection

Comments: I am submitting this second objection as the revised plans do not address any of the points/issues raised in my previous objection (submitted 06/05/2021) such as:

Intensification of use.

Loss of amenities for the residents at Bridge End, such as parking, wheelie bin storage, safe communal space.

Risk of flooding to the houses at Bridge End.

Waste collection.

All of my previous objections still stand.
