Good Afternoon Rachael,

Thank you for consulting us on the variation of conditions application SMD/2021/0537 at Barnfields Industrial Estate.

Staffordshire County Council Flood Risk Management position

As we did not set any of the conditions proposed for variation (4,10,13 and 19) we would have no objections to their revision, as long as the development can achieve an adequate drainage strategy in line with the principles in the original FRA, and subject to approval under conditions 31 and 32 of SMD/2014/0750.

Kind Regards

Roberta

Please note my working days are Monday to Wednesday.
