Submission: Objection

Comments: Ash Bank already has too much traffic without adding even more. People use the lanes around Werrington as a rat run without the added pressure on the roads that the proposed development would cause. No infrastructure in place to accommodate extra people moving to the area ie Doctors, Schools etc. We have already seen new developments around the area at Cellarhead, Bucknall, the old school in Werrington.

Werrington is a village and should not be made into a built up area with too many houses and not enough measures in place to handle all the extra pressure on amenities that this proposed development would cause.
