ST Classification: OFFICIAL PERSONAL

Good day,

As there is no proposal to discharge foul sewage or surface water to the public sewerage system, we would have no comment to make on the proposals. We would advise they are discussed with the LLFA.

I trust you find the above in order, however, if you have any further enquiries then please do not hesitate to contact us at Planning.apwest@severntrent.co.uk.

Kindest regards,

Rhiannon

Miss Rhiannon Thomas - Planning Liaison Work Management Technician
