Submission: Objection

Comments: I completely object to this planning application as the stench from existing yards is bad enough! Another point is that we do NOT need more wagons flying across the top road breaking the speed limits and putting horse riders/walkers and other road users at risk. We don't need to add more to the list that already do! I believe that its bad enough that its even being considered, it will be a disgrace to the community and we wont put up with it.
