Good day

Due to a change in processes, we will no longer be looking at domestic extensions under the planning application process. Domestic extensions are dealt with by Building Regulations, and if an asset is affected by the works, then the applicant will need to contact the Buildover team within Networks Solutions team at STW to discuss the proposals. The email address for the Buildover team is: building.over@severntrent.co.uk

We do request we are consulted on other planning applications via the usual route: Planning.APWest@severntrent.co.uk

Kind regards,

Asset Protection.
