Good Afternoon

RE: SMD/2022/0014 – Moneystone Quarry, Cheadle Road, Oakamoor.
Proposed Development: Proposed construction of revised surface water outfall associated with Moneystone Park Leisure development and engineering operations to infill the existing outfall structure.

Conclusion

KPC object on the basis that this is a retrospective planning application covering unauthorised work already done at the Quarry 3 outflow.

KPC are also of the view that all current planning applications relating to Moneystone Park, (SMD/2019/0646, SMD/2019/0716, SMD/2019/0725, SMD/2022/0014) should be heard by the SMDC Planning Application Committee together.
