Details of the pre-application advice received

refer to your pre-planning query at 10 Derwent Drive for a two storey rear extension.

Planning permission is required for the proposal under a householder application.

Having looked at the proposed plan and location plan, I note that the extension will retain the same ridge height and width as the original dwelling and will extend approx. 3m from the rear. My informal opinion is that the design of the extension would not be harmful to the public street-scene as it is to the rear and therefore, I have no overall concerns on design.

As for the residential impact of the scheme, I suggest you consider the potential impact the extension may have to No.8 in terms of the 45 degree line when considering loss of light. I advise when putting a formal application in, the 45 degree line is provided on the plan for reference.

Please note however, this is an officer's opinion only and is not intended to be a formal decision on the matters raised. Decisions on matters of Development Control can only be reached formally following consideration of a valid statutory application. Whilst the information has been given in good faith it is not binding on the Council and Officer or Elected Member should any formal decision differ from the advice given.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.
