Description of Proposed Works

Please describe the proposed works

This application is for 2 no. proposed extensions to the existing property. The first extension comprises a single storey, rear extension with a green mono pitched roof. The existing conservatory will be demolished to allow for this. The existing rear elevation wall will also be opened up between the current and new rear extension to create an open plan kitchen/ living area to the rear of the property.

The second extension is for a first floor extension, to the current single storey left side extension. This will mirror the pitched roof detail of the original cottage and has been designed to appear more in line with the local construction compared to the current single storey extension. The additional floor space to the first floor will be utilised for the relocation of the family bathroom, and a new ensuite for the rear bathroom.

Has the work already been started without consent?

☐ Yes

☒ No

Materials

Does the proposed development require any materials to be used externally?

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
